FOREWORD

Amongst the noblest of professions, Medicine, Dentistry and Allied Health Sciences (Physical Therapy, Nursing, Pharmacy, and Medical Health Technology etc.) are the most attracted professions for talented, brilliant and meritorious students. For selection of such students a robust and fair system is needed to be in place. Since its establishment, Bolan University of Medical and Health Sciences (BUMHS) has tried to make admission process more structured and transparent to ensure that only suitable and capable candidates are admitted in MBBS, BDS, DPT and all program of studies on merit. BUMHS and Government of Balochistan believe to provide an equal opportunity to the potential students to show their suitability for MBBS, BDS and Allied Health Sciences (Physical Therapy, Nursing, Pharmacy, Medical Health Technology etc.) courses to enter medical,

Dental, physical therapy and other health sciences professions based on the principles of Justice, Equity, Transparency and Merit.

It is believed that these potential Students of Medicine, Dentistry and Allied Health Sciences Institutions would be fully prepared to accept 21st Century's challenges of Medical Profession. It would be the most exciting situation for the students of Medical, Dental and Allied Health Sciences fields, while entering with enthusiasm in this profession, that they are well placed to positively influence and advance the teaching, learning and research environment in our institutions.

Physical Therapy is an emerging profession in Modern Healthcare System which promotes independent function and enhances the quality of life. Our goal is to produce expert Physical Therapists who will contribute for the betterment of the community. Physical Therapy is a Healthcare Profession that provides direct patient care to a person who has disorders of movement, mechanical, physiological and developmental impairments and functional limitations, whether caused by injury or disease to help them achieve maximum physical function and mobility.

Profession of Medicine, Dentistry and Allied Health Sciences demands helping and supporting attitude of health care professionals towards people in need of medical, dental, clinical health services and Physical Therapy & Rehabilitation. While involved in diagnosing and treating illnesses of patients, it requires an inquisitive mind, capability to acquire high levels of advanced and skillful knowledge with an ability to relate to individuals each with their health needs for their healthy life.

It is expected that students would be aware of continuous hard work to reach the highest pedestal of excellence. While appearing in the Entrance Test you must feel confident that Bolan University of Medical and Health Sciences' policies are fair, transparent, maximally fool proof and equitable.

The Prospectus is presented to you in the simplest and easiest language for better understanding of selection and admission process. It is to facilitate students seeking admission to "College of Physical therapy/ BUMHS, Quetta". The document mainly focuses on policy, rules and regulations for selection and admission of candidates. It also provides outlines of courses of study and examination pattern for Doctor of Physical Therapy (DPT) program. This Prospectus is being issued with the approval of the relevant and competent bodies of BUMHS.

BACKGROUND

Bolan University of Medical and Health Sciences (BUMHS), Quetta is the first and only University of Medical and Health Sciences in Balochistan, to cater for Medical and Health professionals' teaching, learning and research needs. BUMHS, with its constituent colleges Bolan Medical College, Quetta, Dental Section of Bolan Medical College (University Dental College), Quetta, Jhalawan Medical College (JMC) Khuzdar, Loralai Medical College (LMC) Loralai and College of Physical Therapy, Quetta, is the highest seat of teaching, learning and research.

BUMHS was established vide Gazette Notification No. 172 dated 22nd December 2017, linked with reference No. PAB/ legis: v (7)/2017/94 under an Act. No. VII of 2017 of the Provincial Assembly of Balochistan. The Bolan University of Medical and Health Sciences Bill No. 12, of 2017 passed by the Provincial Assembly of Balochistan on 11th December, 2017 and assented to by the Honorable Governor Balochistan on 20th December, 2017 was published in the Balochistan Gazette in March 2018, as an Act of the Balochistan Provincial Assembly. University was also notified by the Government of Balochistan vide Gazette Notification No. SGB/BUMHS/2-37/2018/186-204 dated 5th September, 2018. Recently BUMHS Amendment Act, 2020 was passed by Balochistan Provincial Assembly in November 2020. BUMHS is responsible to admit students in DPT program of studies for Session 2020-21 in the College of Physical Therapy BUMHS, Quetta.

Doctor of Physical Therapy (DPT)

BUMHS

Introduction:

College of Physical therapy, Bolan University of Medical and Health Sciences (BUMHS), Quetta is the only public sector Physical Therapy College in Balochistan offering clinical Doctorate in physical therapy. The College of Physical therapy BUMHS, Quetta was established in 2019 after the approval of the statutory bodies (Senate, Syndicate and Academic Council) of Bolan University of Medical and Health Sciences, Quetta vide Notification No. BUMHS/Reg/2019/1811-12, dated 11th November, 2019. Initially the College of Physical Therapy BUMHS is offering Doctor of Physical Therapy (DPT), will soon be offering Master Program in Physical Therapy that will give it a distinctive position in the country.

Physical Therapy is one of the fundamental components for patient care amongst modern healthcare system. Doctor of Physical Therapy curriculum has been developed to prepare physical therapists for independent practice by emphasizing areas such as differential diagnosis and intervention of disorders of musculoskeletal, neurological, cardiovascular and respiratory system, including symptoms of pain, edema, and physiological, structural and psychosomatic ailments. It also deals with methods of treatment based on movement, manual therapy, physical agents and therapeutic modalities to relieve the pain and other complications.

Since there is general trend of physical therapists to seek employment and admission for further studies in advanced countries around the globe, it has become necessary to bring the courses of study in Pakistan at par.

DPT Program Duration:

- The course of DPT program comprises of ten semesters (five years).

Goals & Objectives of DPT Program:

1. Since the establishment of Bolan University of Medical and Health Sciences (BUMHS), it was strongly felt that there are many important areas of Health and Allied Health Sciences in the Province that needed to be addressed, Physical Therapy being one of those areas. Due to lack of proper Institutions / Colleges of Physical Therapy in the province there were severe shortage of Physical Therapists and in 21st Century the poor patients of the province were deprived of important treatment like physical therapy and rehabilitation. Students and patients of the province had to go to other provinces of the country for physical therapy and rehabilitation education and treatment. To address the shortage of the Physiotherapist in the Province College of Physical Therapy has been approved by the statutory bodies (Senate, Syndicate and Academic Council) of the BUMHS to provide Physical Therapy and Rehabilitation treatment to the remote, poor and needy patients of the province at their door steps.
2. The graduates of the College of Physical Therapy BUMHS-DPT program will be clinically competent Physical Therapists for independent practice, able to meet changing health care needs and are well equipped by the principles of critical thinking, lifelong learning, ethical values, support the community and the physical therapy profession by functioning as service-oriented practitioners and are vowed to excellence in total patient care, guided by a belief in human worth, dignity and dedicated to the optimization of human health and function.
3. Physical Therapy practice is concerned with identifying and maximizing quality of life and function movement potential, within the spheres of promotion, prevention, maintenance, intervention/ treatment, habilitation and rehabilitation. This encompasses physical, psychological, emotional, and social wellbeing.
4. Physical Therapy involves interaction between physical therapist, patients, families, care givers, other health care providers and communities, in a process of assessing movement potential and maintenance of healthy life style.
5. Doctor of Physical Therapy (DPT) program will educate physical therapists who are knowledgeable, self-assured, adaptable, reflective, humanistic, and service-oriented and who, by virtue of critical thinking, life-long learning and ethical values, render independent judgments concerning patient needs.
6. Doctor of Physical Therapy (DPT) program will prepare physical therapists to practice in a variety of settings able to deliver services in both urban and rural communities.

7. Doctor of Physical Therapy (DPT) program will prepare students with the mandatory communication and decision-making skills to work in collaboration with their patients, careers, other professionals and colleagues.
8. Doctor of Physical Therapy (DPT) program will educate Physical Therapists who demonstrate mastery of entry level professional clinical skills. Provision of these services is based on the best available evidence and includes physical therapy examination, evaluation, diagnosis, prognosis, intervention, prevention activities and appropriate health care utilization.
9. The graduates of Doctor of Physical Therapy (DPT) program will determine researchable problems, promote and participate in research and practice research findings in clinical setups.
10. Doctor of Physical Therapy (DPT) program will educate physical therapists who demonstrate deep knowledge of the basic and clinical sciences relevant to physical therapy, both in their fundamental context and in their application to the discipline of physical therapy.
11. Every patient may directly access a physical therapist throughout his/ her lifespan for the diagnosis, interventions and prevention of impairment or may be referred by a physician or surgeon for treatment.

- a. (i) The candidate must have passed obtaining minimum sixty percent (60%) marks in Higher Secondary School Certificate (HSSC) or F. Sc (Pre- Medical) or Intermediate (Pre-Medical) or equivalent examination having minimum twelve years of education from Board of Intermediate and Secondary Education Balochistan, Quetta or any other recognized Board or University of Pakistan.

OR

- b. (ii) The candidate must have passed equivalent examination from inside or outside Pakistan obtaining minimum sixty percent (60%) marks in aggregate with at least three science subjects i.e. Biology, Chemistry and either Physics or Mathematics and such course must have been duly certified by the Inter Boards Committee of Chairman (IBCC), Islamabad as if he/she applies for admission on the basis of GCSE or American/Canadian High School Examinations or „A“ Level etc. equivalent to Higher Secondary School Certificate (HSSC) or F.Sc. (Pre-Medical) or Intermediate (Pre-Medical) or equivalent level examination within Pakistan.

- c. Mere appearance in Entry Test does not confer the right to apply for or Claim admission in College of Physical Therapy, BUMHS, Quetta.

1. MERIT FORMULA:

The merit for the purpose of admissions shall be calculated as a percentage of marks as given below:

Weight for preparation of final merit list Examination Test	Weightage
SSC / Matric (Science)	10%
FSC (Pre-Medical)	40%
Entrance Test	50%

- | | |
|--|-----|
| i. SSC / Matric (Science) OR Equivalent Qualification | 10% |
| ii. HSSC/FSc (Pre-Medical) OR Equivalent Qualification | 40% |
| iii. Entry Test | 50% |

The following marks shall be added / deducted from the aggregate marks of the candidate:

- Twenty (20) marks shall be added to the F.Sc marks, who submitted the certificate of Hafiz-e-Quran by registered Madrasa/Jamia/institute and qualify the test of recitation. The panel of Hafiz-e-Quran, who conduct the test, shall be constituted by the Syndicate of BUMHS. The decision of panel shall be considered for adding the Twenty (20) marks in his/her F. Sc marks.

- Ten marks shall be deducted per year or part of a year if a candidate fails to pass or tries to improve Division in F. Sc examination in two years after passing the matriculation/ F. Sc examination as the case may be.
- Five marks per year shall be deducted if the candidate fails to get admission during the year, he/she passed F. Sc examination. However, this condition does not apply in case of delay in admission caused by legal procedures resulting in Court decision favorable to a candidate originally rejected by the Admission Committee.

NOTE: In case a candidate does not clear F.Sc. examination or part of a year, beyond this period shall be treated his/her attempt for the purpose of deduction irrespective of his/her having not appeared in the examination in such year.

In case the adjusted marks of two or more candidates are equal, the candidate securing higher marks in the entry test shall be ranked higher on merit for the purpose of admission. If the marks of the entry test are also equal, then the candidate securing higher marks in F.Sc. will be ranked higher on merit.
